CALVARY BAPTIST CHURCH  
Sunday, February 28, 2021  
Series: "I AM A DISCIPLE"  
Sermon: "A Beautiful Thing"

Disciples are actively living in a missional community.

Now What?

1. Be \_\_\_\_\_ people

2. \_\_\_\_\_ the people

3. \_\_\_\_\_ with the people

Throw a \_\_\_\_\_

What is a **missional community**?

A group of people who are active in their community?

1. **Actively** pursuing a relationship with those on the margins...those who don't have a relationship with the Jesus or His church.
2. Being **Actively** involved in your community. The community you live in. The neighborhood you live in.
3. Your missional community is **active** in meeting together **regularly**.

A missional community (or *micro church*) will be an intentional community of men and women joining God on mission.

This community will demonstrate an alternative way of living in this world that models the way of Jesus and demonstrates by word and action the reality of the Kingdom of God in our midst.

The community will be deep and loving - with much time together - eating - laughing - lamenting (crying) - praying - sharing the Lord's table - in submission to God's Word - pursuing *authentic* transformation - worshipping - reconciling - loving children - and the marginalized and most vulnerable.

Declaring and demonstrating the reality of God's kingdom as the ultimate reality.

Then when we invite people to be a follower of Christ - we are not inviting them merely into a privatized, individual thing. Rather we are inviting them to join this alternative community. We are inviting them into something that is already a beautiful thing that exists.
